Being aware of the dangers of serving as a first responder, we are faithful in prayer. We have five active members who are police officers and four others related through family. We have several others who work with local fire & EMT services. We pray for the safety and work of all these, & their teams, as well as members of our armed forces, especially Ryan Kuhn & Ella Spaid, members of our church.

Our prayer list is an evolving tool that helps us share the current needs of our church family, community, & world, as well as fresh inspirations for prayer. When a request is removed it keeps us aware of the most urgent needs and helps us celebrate that God's healing grace is active.
