

❄️ INCLEMENT WEATHER POLICY ❄️

In the case of poor weather conditions, please refer to our procedures below.
Decisions to delay or close school will be made each morning by **7:30 AM**.

The **BRIGHTWHEEL APP** will feature the most up-to-date information. Please sign-up via the link sent to your email or phone number.

Parents/caregivers are encouraged to check WGAL after 8:00 am for announcements regarding closures or delays. Please watch for ***Bethlehem United Methodist Preschool***.

Our preschool website (gotobethlehem.org) or WGAL.com will also feature the closure or delay information.

For most closures and delays, we will follow the Dallastown Area School District.

- a DASD **closure** will mean a **closure** for BUM
- a DASD **three (3) hour delay** will mean a **closure** for BUM
- a DASD **two (2) hour delay** will mean a **modified schedule**:
 - *AM classes 11:00 am - 12:30 pm***
 - *PM classes 1:30 pm - 3:00 pm***

Should severe weather conditions arise after school starts, early pick-up is encouraged.

***CAUTION:** The alley and parking lots become very icy during the winter.*
